Hi,

I am sorry to inform you that I have to fully withdraw from the project due to ongoing legal issues with my university and the CNRS.

Yours Sincerely,

Hello,

As a member of the INDEPTH COST consortium we have your name included on our website:

<https://www.brookes.ac.uk/indepth/who-we-are/>

However we lack any other information to include a fuller profile about your location, contact details and research interests.

Therefore to add this information could you please answer the brief questions in the attached file? If you could return it to me with a headshot picture then we will add it to the website.

If you don't wish to be included as an INDEPTH member then let us know and we will remove your name from the 'Who-we-are' page.

Thanks very much and if you have any other questions about this then please let us know!

Cheers,
Geraint Parry and Aline Probst: INDEPTH WG5 leaders.
